

# Wedding Package

~ 100 GUESTS ~

For weddings that anticipate approximately 100 guests, we recommend this package. It will give you all the flexibility you need whilst still ticking all the boxes of the basic set up. Everyone will be seated at your choice of round or banquet style tables, and everyone will have room at the dance floor and at the bar! We are able to add a top table or cake table too at no extra cost.

We recognise that in putting a package together, all weddings are different and we want yours to be unique and stylish, and just what you imagined. Therefore, you can choose your style within our package. You'll have peace of mind that you'll get just what you want, in your style, with no extra costs.

**Please note:** We include Building Consent costs in all of our packages. This is a legal requirement for all temporary structures (marquees) over 100 mtr<sup>2</sup> in New Zealand. All of our marquees have been made in New Zealand to the highest standard of fire proof, waterproof and wind resistance. We are happy to send you through relevant documentation at your request.
